A note from Peter Matthews, Chair of ECBC

Welcome to the 61st year of the East Cornwall Bach Choir! Our 60 th anniversary year was a great success, with some record attendances. So how to follow that? With a repertoire to entice audiences just as large: a mixture of well-loved favourites, such as the Messiah, Lenten classics, works by Monteverdi, and an invitation to sing Mendelssohn's Elijah with us. We are also spreading our wings this year, with an additional concert of madrigals at a new venue, Cotehele. So do come along, and share this diary with your friends and family. See you there!
